AN UNEQUALED BARGAIN EVENT

We were already overstocked and now as our Xmas. goods are in we are crowded to death, so we must get rid of some goods at once. We need the room and need the money. Of course we could give them away, and we are going to come so near to it that if you do not attend this sale it means a great loss to you. It is not a stock of old goods which we want to close out, but an abundance of high grade, up-to-date Merchandise which must be turned into money at once. We have before offered great saving opportunities to the people of Astoria and vicinity but this one certainly will cap the climax.

Remember the date, Nov. 15th to Nov. 25, and come to Morse's Dept. Store with One Dollar and secure Two or more Dollars' worth of High Grade Merchandise which was never before offered in Astoria.

Our prices are always as low or lower than any others and during this sale our prices will be about one-half of what they usually are.
